StarChapter is the member-friendly management software serving local chapters of national associations in the United States and Canada. The software combines email communication, event registration, membership database, website design, and payment processing. We help users save time, improve membership, attendance and revenue rates, and assist with leadership transitions. StarChapter is fully operated in the U.S. and our experienced team provides ongoing training that improves the health of organizations for years to come.

CHAPTER DEVELOPMENT

A NATIONAL ASSOCIATION PERSPECTIVE

Striking the balance between local chapter autonomy and national control utilizing an association technology partner.
